

Table Quidditch

INSPIRED BY HARRY POTTER

WHATS INCLUDED:

- 3 Quidditch Hoops
- 1 Snitch Ping Pong Ball
- 2 White Ping Pong Balls

WHAT YOU NEED:

- 1 6ft Long Table
- 20 Disposable Plastic Cups
- 1 Green Plastic Tablecloth

SET UP:

1. Cover the 6 foot table with green plastic Linen
2. Place Quidditch Hoops in the middle of the table
3. Align your plastic cups (10 on each side) in a diamond formation

RULES AND SCORING:

(How to play)

Begin the game by flipping a coin to see which player shoots the quaffle first. During a turn, the player tosses 2 ping pong balls (Quaffles) towards the opposite side of the table with the intention of landing the Quaffle(s) in their opponents cup(s). The player on the defensive end may use their hands (as Bludgers) to swat the oncoming quaffles. The defensive player is only able to swat--no catching the quaffle.

A player scores 1 point if they toss the Quaffle (ping pong ball) into their opponents cup, and 2 points if the Quaffle (ping pong ball) goes through the hoops. Scoring is allowed on each turn of tossing the quaffle. Each time a ping pong ball lands in a cup, the cup must be removed from the table (or pitch). Once a player is down to 1 cup, their opponent must use the snitch to end the game. If the player misses with the snitch, play continues for the opponent. This goes on until one team lands the snitch in a cup to end the game.
